To all Units and Members

Glorious Celebration of the 105th Founding Day of SBISA

Dear Comrades,

We are immensely delighted to share with you that the 105th Founding Day of the State Bank of India Staff Association (SBISA) was observed with great enthusiasm and in a truly befitting manner across all the circles of our esteemed Association on 9th July 2025. The day, which marks the beginning of a glorious journey commenced in the year 1920 at Calcutta, was an opportunity for us not only to commemorate our rich legacy but also to reaffirm our collective commitment towards the progress and welfare of our members and the organisation at large.

Each circle celebrated the occasion with unique programmes reflecting the spirit and ethos of our Association.

The Circle Associations organised interactive sessions and seminars revisiting the formation of the SBISA under the challenging circumstances of British colonial rule in 1920. These sessions brought to light the struggles and sacrifices of our founding members and past leaders who laid the foundation of robust trade union movement, which continues to be a guiding force for the working class of the banking sector.

In an environment-conscious initiative, Circle Associations undertook a plantation drive by planting 105 saplings in various office premises, public parks, and bank colonies to commemorate 105 glorious years of SBISA. This thoughtful initiative symbolised not only our commitment to the environment but also the growth and deep-rooted values of our Association akin to a growing tree that shelters and nurtures generations.

The Circle Associations also organised felicitation programmes for the veterans and past leaders of the union who, through their dedication and relentless efforts, have contributed significantly to the growth and stability of the Association. Their invaluable contributions were remembered and acknowledged in the presence of our young members, thereby instilling a sense of pride and responsibility in the next generation of trade union leadership.

In many branches and offices, the day was observed by cutting ceremonial cakes and organising brief yet meaningful gatherings where local union office-bearers and representatives from the Bank Management joined together in a spirit of harmony and cooperation. These simple yet heartening events reflected the strong bond between the Association and the Management, founded on mutual respect and understanding.

It is also a matter of immense pride that a website for the benefit of staff members was launched by the Chief Guest, CGM of the Lucknow Circle on this auspicious day in a function held at Local Head Office, Lucknow and in Chandigarh also the CGM of Chandigarh Circle graced the occasion and participated wholeheartedly in the grand celebrations. Their presence and encouraging words further strengthened the trust between the Union and the Management.

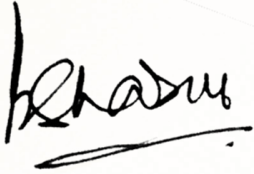

The observance of this landmark day across circles was not merely a ceremonial event but a moment to renew our pledge and reaffirm our commitment towards protecting the rights of our members, improving service conditions, and carrying forward the legacy built by our forebearers. It was an occasion to reflect on the journey travelled so far and to chart out the path ahead with renewed zeal and unity.

We place on record our sincere appreciation and gratitude to all our Presidents, General Secretaries of all our eight circle Associations, Circle Office-bearers, and our committed members for organising these events in a befitting and memorable manner. Your efforts have added another proud chapter to the history of SBISA.

Let us continue this spirit of solidarity and work hand in hand towards a brighter future for our Association and its members.

With revolutionary greetings

Yours Comradely

Chief Secretary
